### Head Teacher

Mrs Barbara Matheson

Dear Parent/Carer,

Following the letter you received this morning from Head of Education detailing the arrangements for our return in January. Please reflect on the Key worker criteria as detailed below and if applicable follow the link to apply for a place for your child/ren.

### Key worker Clarification

Where a parent is able to work from home then they should do so and support their child's learning. Parents and carers should be aware that other family members, such as grandparents can provide childcare.

Keyworkers:

- Health and Care workers directly supporting COVID response, and associated staff; Health and Care workers supporting life threatening emergency work, as well as critical primary and community care provision; Energy suppliers (small numbers identified as top priority already); staff providing childcare/learning.
- All other Health and Care workers, and wider public sector workers providing emergency/critical welfare services (for example: fire, police, prisons, social workers), as well as those supporting our Critical National Infrastructure, without whom serious damage to the welfare of the people of Scotland could be caused.
- All workers (private, public or third sector) without whom there could be a significant impact on Scotland (but where the response to COVID-19, or the ability to perform essential tasks to keep the country running, would not be severely compromised).

These are the Scottish Government definitions issued in March 2020.

We will contact you by Friday 8<sup>th</sup> January to confirm arrangements for Home Learning.

Stay safe
