### Physical Education

As you will be aware, Government guidelines state that all Physical Education should continue to take place outdoors. Therefore children should come to school on their PE day wearing suitable PE clothes. Polo shirts are fine on top and they may choose to wear shorts under their uniform or wear joggers/leggings, especially on colder days. We would ask that you try to keep to black or grey leggings/joggers so that it looks similar to school uniform.

### Outdoor Learning

In addition to their allocated Physical Education day, children will be learning outdoors when possible. Please ensure your child brings a rain jacket and sensible footwear to school to support this. If convenient, wellies/outdoor shoes can be stored in class cloakrooms.

Many thanks,  
Team Kelvindale.
