KELVINDALE MOUNTAIN BIKE TRAIL

Kelvindale has its very own bike trail at Dorchester Avenue

The track is built specially for you to have fun and practise your cycling skills!

It's right next to the school – the gate is on Dorchester Avenue.
The trail is managed by the Cleveden Community Club and will be open from 6.30pm on Wednesday evenings and from 2pm on Sundays to start with - we can open more often if people are keen.

So why not come along and try it out – bring a friend, or all your friends, brothers and sisters, or even your mum and dad!
